The WebGIS developed by REMPEITC is based upon data provided primarily by the Lloyds' Marine Intelligence Unit and REMPEITC. The data are provided in good faith as a guide only, and is subject to change and should, in each case, be independently verified before reliance is placed on it. REMPEITC does not warrant that the advice and information on this website will be complete or accurate or appropriate in all situations, and REMPEITC excludes, to the fullest extent permitted by law, any liability to any person, corporation or other entity for any loss, damage, costs or expenses resulting from any reliance on or use of this website.

The full version of the GIS was developed for the governments of the Wider Caribbean Region, and is solely made available upon request to REMPEITC, for purposes in connection with the objectives proclaimed by the Convention for the Protection and Development of the Marine Environment in the Wider Caribbean Region (Cartagena Convention) and/or by International Maritime Organization Conventions. **Commercial use of the results in any form is strictly prohibited.**

It is our goal to minimize disruption caused by technical errors. However some data or information on our site may have been created or structured in files or formats which are not error-free and we cannot guarantee that our service will not be interrupted or otherwise affected by such problems. REMPEITC accepts no responsibility with regard to such problems incurred as a result of using this site or any linked external sites. Usage of the system is monitored.

The designations employed and the presentation of material do not imply any opinion whatsoever on the part of the REMPEITC, International Maritime Organization, United Nations Environment Programme, or the United Nations concerning the legal status of any country , territory, city, port or area or of its authorities, or concerning the delimitation of its frontiers or boundaries.
